*Statistics for the current quarter, fiscal year, and biennial were obtained from License2000 (L2K) on 4/4/07. Information in the L2K system is updated nightly and therefore is one day behind, reflecting the ending numbers from the previous day.

**Case standards are predetermined time frames allotted to cases as they pass through the disciplinary process. The total time for each case depends on the number of stages it must pass through before it is finally resolved. See Agency Guidance Document 76-13.1 (Directive 4.6) for a complete explanation of case standards. A positive change means more cases have been completed within the pre-allotted time frame in the current time period than in the prior time period.
